

A NOTE TO SCHOOL is a pad of 50 pre-printed notes for parents to send to school when their child's schedule will differ from routine. The KPTO designed these notes in cooperation with KES and KIS staff. The teachers will recognize the brightly-colored notes immediately, helping to foster communication between parent and teacher. The notepads measure 5.5" x 8.5" and cost \$3.00 each. Proceeds from the notepads will help the KPTO provide funding for the classroom enrichment and other programs it sponsors. Consider ordering two pads – one for home and one for the car!
